## **Standing Committees;**

### **Golf Committee; Tom Kenyon**

Tabled for this month.

### **Membership Committee**

Robotics had a successful season. Challenge Teams went to State with one Team getting second place for the innovation project and the other Team scored 290 which is the highest score achieved. Three Explorer Teams went to competition and one Team was invited to the World championship in Houston.

### **Christmas tree Sale;**

Tabled for this month.

### **St. Patrick's party, John Marnon**

Will be held on March 12<sup>th</sup>. John Marnon has secured a 6 piece band for \$1000 from 6 to 11. Discussion to start the band later to reduce cost. Casey, reached out to cater food. Planned to be held in the Activity Center. 2020 cost 40 per person. John and Bob are working to get the liquor license; planning to hold a meeting next week to align on forms.

### **Fish Fry (Tom Convery)**

Price sheet provided. Materials prices are continually increasing. Prices are generally increasing \$2 per plate and margins (18.7% to 15.9%) will be lower than last year. We are sticking with a carryout for 2022 fish fry with the potential to hold a "picnic" area for those that want to eat inside. No kids will be asked to volunteer because of covid precaution. Picnic would be entering on the west tower entrance – no refills. Ketchup and Tartar Sauce will not be provided; tartar sauce bottles will be available for sale. Freeze seems to operational. Oil tank to be returned. Hood is in operation condition.

Suggested to provide reheating instructions to return fish to fried condition.

3 points of entry (online, drive up and walk in) or just 2?

Lent starts March 2
